Kuala Lumpur - Malaysia

8-10 December

**Background:** 4<sup>th</sup> International Conference on Advanced Computer Science Applications and Technologies – ACSAT2015 will be held from December 8-10, 2015 in Kuala Lumpur, Malaysia. The conference aims to provide a platform for presenting research work, exchange of ideas among researchers, disseminate recent trends and advancements, cutting-edge technologies, significant technical applications and challenge in areas of computers, information communication and technology, Computing, Informatics, Management and other related areas. The conference program will consist of keynote lectures from highly distinguished researchers, workshops, invited sessions, oral and poster sessions. Researchers from academia and Industry are invited to present their work and innovation; the conference themes are outlined below. Accepted papers will appear in the Conference Proceedings and be indexed by IEEE Xplore.

**Topics:**

- Computer Theories and Algorithms
- Cloud Computing
- Computer Architecture and Embedded Systems
- Computer Graphics, Vision and Multimedia
- Computer Network and Communication
- Computer Simulation and Modeling
- Database Technology and Data Warehousing
- Distributed and Parallel Computing
- Computer Ethics Issues
- Grid Computing and Mobile Technology
- Computer applications in Physical Educations
- Information Retrieval and Knowledge Management
- Cryptography and Information Security
- Digital Watermarking and Steganography
- Internet and Web Applications
- E-Technology: E-Learning and E-Commerce
- Artificial Intelligence and Machine Learning
- Natural Language Processing
- Pattern Recognition and Image Processing
- Software Engineering
- Human Computer Interaction
- Computer Arts and Design

**All accepted and presented papers will be submitted for inclusion in IEEE Xplore and CSDL for indexing services.**

**Selected papers will be published in the following Journals:**

- Journal of Advanced Computer Science and Technology Research - JACSTR (ISSN (online) : 2231-8852), (ISSN (printed) : 2314-7350)
- Journal of Advanced Science and Engineering Research - JASER (ISSN: 2231-8844)
- International Journal on Islamic Applications in Computer Science And Technologies – IJASAT (ISSN: 2289-4012)

**Important Dates:**

Submission of full paper: 15 October 2015

Notification of acceptance: 10 November 2015

Final version deadline: 20 November 2015
