PERSONAL CONTRIBUTION TO THE COUNTRY

With the collaboration of Malaysia Embassy in Oman, I facilitated the national efforts to evacuate 500 Malaysian students 9-16 years old who were stranded at Sanaa, Aden and Hadhramawt/ Yemen during the civil war in April 2015 bringing them to safety to Malaysia. I received a letter of acknowledgment from the Ambassador of Malaysia to Oman for my outstanding efforts (the letter is attached)

In 2007 I established the First International School which comes with Islamic Studies Subject side by side with the Cambridge IGCSE subjects. Namely Alnoor International School/ Kuala Lumpur AIS/ www.ais-kl.edu.my. I established a new branch of AIS in KUANTAN and bought a 5 acres land to set up a standardized boarding International School there.

In 2009 I have established a RM1 million paid-up capital company to concentrate on scientific and research activities, Design for Scientific Renaissance Sdn Bhd (DSR) conducts more than 6 international conferences in various fields of science ranging from IT to engineering to business and economics to medical to Technologies applications in Islamic fields/ www.sign-ificance.co.uk. Hundreds of researchers from different nationalities are visiting Malaysia to participate in DSR conferences. DSR Sdn Bhd publishes more than 10 journals in almost all fields of researches. During last 9 years these journals have published thousands of papers for Malaysian and foreign researches as well.

Until recent I have published 89 research papers in the world journals, among them 68 during my tenure as associate professor of economics in Malaysian universities. 29 of these papers were dedicated in interdisciplinary fields, while 9 of them concentrated on Energy and green field. I have also represented Malaysia around the world in 26 conferences delivering papers related to economics and Finance. For the past few years I have chaired 4 international conferences.

In 2011 I headed a team of 10 academic staff to study the impact of the 10th Malaysian plan on the Higher Education Sector.

For the last 8 years I have supervised 22 PhD candidates in UNITEN University. Further, 19 MBA projects were completed under my supervision for the past 4 years.

I have attracted the Arab Administrative Development Organization/ ARADO/ Cairo to show their intention to hold and International Seminar on ‘Building Blocks of National Integrity Framework to Fight Against Corruption’. The Seminar was held in UNITEN on July 2011, it was officiated by Deputy Minister of International Trade. Minimum of 55 Arab governors.

During my service in UCSI & UNITEN Universities I have brought more than 400 undergraduate and postgraduate students from the Middle East countries, Iraq, Jordan, Sudan, Syria, UAE, Saudi Arabia, Yemen, Palestine, and Oman to Malaysia to complete their studies.

I spared no efforts to grant UNITEN, UCSI, MMU, LimKoKwing Universities and many colleges with the Iraqi Government Recognition during my tenure as the Charge D' Affairs of the Iraqi Embassy in Kuala Lumpur/ 2003-2006.
