

3rd International Conference on Advanced Computer Science Applications and Technologies – ACSAT 2014

29-30 December 2014
Amman, Jordan

ACSAT 2014: 3rd International Conference on Advanced Computer Science Applications and Technologies – ACSAT will be hosted at the heart of the beautiful city of Amman, Jordan. ACSAT aims to provide a platform to promote scientific research in various fields associated with computer applications and technologies. ACSAT is the right venue to mixture the science along with the industrial needs.

All accepted and presented papers will be submitted for inclusion in IEEE Xplore and CSDL for indexing services.

Selected papers will be published in the following Journals:

- *Journal of Advanced Computer Science and Technology Research – JACSTR (ISSN: 2231-8852)*
- *Journal of Advanced Science and Engineering Research - JASER (ISSN: 2231-8844)*
- *International Journal on Islamic Applications in Computer Science And Technologies – IJASAT (ISSN: 2289-4012)*
- *International Journal of Mobile Security (ISSN: 2339-0212)*

ACSAT2014 welcomes contributions in areas including but not limited to:

- Computer Theories and Algorithms
- Cloud Computing
- Computer Architecture and Embedded Systems
- Computer Graphics, Vision and Multimedia
- Computer Network and Communication
- Computer Simulation and Modeling
- Database Technology and Data Warehousing
- Distributed and Parallel Computing
- Computer Ethics Issues
- Grid Computing and Mobile Technology
- Computer applications in Physical Educations
- Information Retrieval and Knowledge Management
- Cryptography and Information Security
- Digital Watermarking and Steganography
- Internet and Web Applications
- E-Technology: E-Learning and E-Commerce
- Artificial Intelligence and Machine Learning
- Natural Language Processing
- Pattern Recognition and Image Processing
- Software Engineering
- Human Computer Interaction
- Computer Arts and Design

Workshops:

- 1- Workshop on Management Information System Applications in New World Economy MISAN2014
- 2- Workshop on Data Mining Applications WDMA
